Dear Harold,

Sorry to hear
of your illness.

I wish that I'd
heard your speech.

The Second Gun opened
in Canada to have reviews.
A low key and very
effective presentation.
Killing.

The critics have never
understood your work
or even pleased it
in the current category.
They place a social critic
of America in the genre
of a Michael Myster
unlike.

Your work is a
critique of the process
of American Government
It belongs to the
tradition of Zola, Balzac
Uexkull, Mills -----
Harold Weisberg is

an "Assassination Chitium" in
the sense that Proust
was a writer on homosexuality
like a great author.

You analyze a microscopic
event to elucidate the
whole structure of that
society, its corruption,
waste, and huge evil.

Perhaps, this explains
your critical neglect.

Please send me
autographed copies
of Whiteash I and II.
Thanks.

Take care.
